

Atlas UK Security Services Ltd.

Environmental Policy Statement

Atlas UK Security is dedicated to the adoption of environmentally responsible policies and practices, combined with regular reviews of both its performance and the inherent scope for further improvements. We aim through continuous staff awareness, to create and maintain the highest levels of environmental responsibility and are committed to the prevention of pollution through continual improvement.

Policy Statement

Atlas UK Security maintains a fundamental belief in the importance of protecting the environment and will take all necessary steps within its power to eliminate, or control, environmental hazards by:

1. Adopting the highest possible environmental standards in all its operations, wherever these are located.
2. Aiming to make the most economical use of all resources, supplies and energy, incorporating renewable or recycled materials wherever possible.
3. Keeping ourselves informed of best practices in compliance with environmental legal requirements.
4. Minimising waste produced in all areas of the business, inclusion of recycled materials and the methods for environmentally acceptable disposal of resources as necessary.
5. Complying with all applicable legal requirements in relation to our environmental aspects.
6. Encouraging employee involvement in positive environmental action. Atlas UK Security Ltd. Will regularly assess the environmental impact of all its operations.
7. Our environmental objectives and targets shall be reassessed in line with changes in legislation
8. Ensuring that Company vehicles are, where feasible, environmentally friendly.

Atlas UK Security Services Ltd. Staff have a responsibility towards the environment in which they work and live. A Conscientious attitude and a commitment to the Company's objectives is expected from our employees. The contents of this policy shall be communicated to all personnel through induction training, team meetings, and on-site briefings.
